

# Cassini Scientist for a Day Essay Contest

*For Students in Grades 5-12*

Target 1: Pan

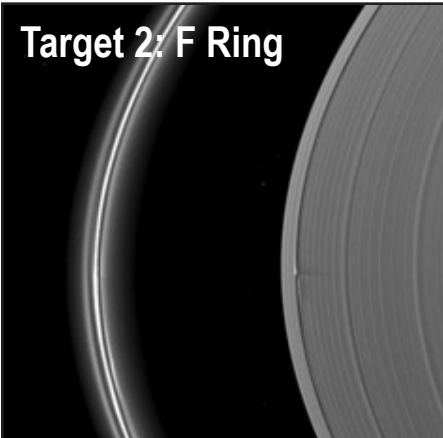

You are invited to participate in the 2012 edition of the Cassini "Scientist for a Day" essay contest. The contest meets U.S. National English and Science Education Standards.

Choose one of these three images and write about why it's the best choice to learn more about the science of Saturn, its rings and/or moons.

In Fall 2012, the Cassini spacecraft will take these images of Saturn. U.S. contest winners will be invited to participate in a dedicated teleconference with Cassini scientists from NASA's Jet Propulsion Laboratory.

Target 2: F Ring

**U.S. Contest Deadline is
